ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

The Housing Authority of the City of Frederick has developed this Annual Plan which summarizes its policies and outlines how the organization will work toward the goals set forth in the 5-year plan. The Housing Authority currently operates 322 units of public housing in three (3) family communities, one (1) community for the elderly, and twelve (12) scattered site units. Two (2) public housing communities were recently demolished under the HOPE VI Revitalization Program, with all units to be replaced in mixed-income communities on-site and elsewhere in the City. In addition, the Housing Authority provides rent subsidies for over 600 families through its Section 8 Program.

The mission of the Housing Authority of the City of Frederick is to promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination. Goals and objectives for the next five years have been identified in furtherance of this mission. In order to work toward the goal of increasing the availability of decent, safe, and affordable housing, over the next year the Housing Authority will endeavor to expand the supply of assisted housing by applying for any available additional rental vouchers and will explore opportunities with regard to leveraging funding sources to create additional affordable housing. The Housing Authority will also continue to work toward the goal of improving the quality of its assisted housing by improving management thereof and increasing the satisfaction of those that we serve.

The Housing Authority will continue to work toward the goal of promoting self-sufficiency among both public housing and Section 8 families. We will continue to implement the Family Self-Sufficiency Program for public housing and Section 8 families. The Housing Authority will also continue to implement Project ALIVE!, an economic development and self-sufficiency program originally funded through the Economic Development and Supportive Services (EDSS) program, and to be continued under the Resident Opportunities and Self-Sufficiency (ROSS) Program.

The Housing Authority will also continue to work diligently toward the goal of ensuring equal housing opportunity.

Intent to Use the Project-Based Voucher Program

The Housing Authority of the City of Frederick intends to project-base up to 100 vouchers. These project-based units will be located within the City of Frederick. Project basing is consistent with the Housing Authority of the City of Frederick’s PHA Plan in that it will assist the Authority to increase the utilization rate of vouchers and it increases the number of housing options for persons of low income and as such will affirmatively further fair housing.
